

**FINANCIAL FUNCTION AFTER NATURAL DISASTER:  
EVALUATING RECOVERING PROCESS OF  
FINANCIAL FUNCTION AFTER 3 : 11 DISASTER**

*By* KAZUO FUKUDA

**〈SUMMARY〉**

311 Disaster caused by huge earthquake and tsunami made tremendous damage not only to firms and individuals but to financial institutions. Nevertheless, financial order recovered in early stage and financial problem such as excessive debt seems not to become serious constraints to the recovering process. This paper sorts out the facts and tries to evaluate the financial function after the 311 disaster from both demand and supply side.
